

SEPTEMBER 13, 2021

Keep Your Eye on the Eagle

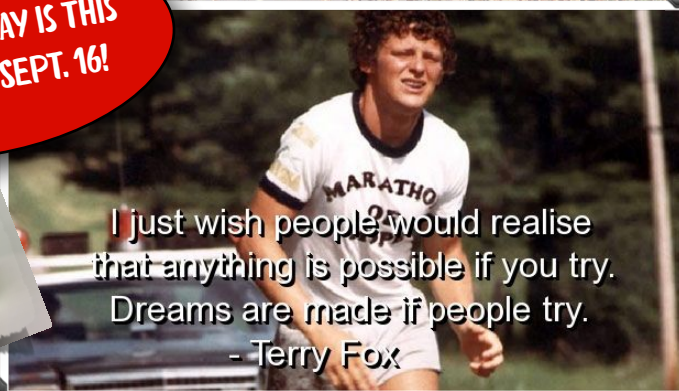

Dates and Events This Week

The NMR family is happy to be supporting such a great cause: The Canadian Cancer Society. By sending a loonie or toonie with your child, we can make a difference in supporting cancer research and being a part of finding a cure for this awful illness. We are excited to provide ice cream treats to the division 1 class and division 2 class that raises the most amount of money! Let's "ARISE! and GET GOING!"

NMR'S RUN DAY IS THIS THURSDAY SEPT. 16!

I just wish people would realise that anything is possible if you try. Dreams are made if people try.
- Terry Fox
