

**Our Priorities**

**Faith:** ARISE! Get Going! ... Our NMR school community continues to strive to be a support for those in need through various service projects as well as sharing in prayer as a school community.

**Excellence:** At NMR, staff will, through a faith-based and Truth and Reconciliation lens, work to ensure students benefit from research-based practices with a hands-on and technology focus in order to provide differentiated instruction with a focus on conceptual understanding through the practice progressions.

**Equity:** Students have access to inclusive programming at NMR in order to help them be successful through their learning journey where all staff strive to see Christ in everyone. We are also responsive to learning needs and engage in intensive supports when possible (including Literacy Interventions)

**Relationships:** The environment at NMR is one of collaboration where staff, families and the parish work together with students for their academic, mental, physical, social and spiritual wellness and growth.

**Responsiveness:** The staff at NMR school respond to the various needs of our students and engage in a community of collaboration in order to have success for all. This includes engaging with our parish (HFP, FCSS, Assessments, Elders, and more).

Student Leadership in Our School

We continue to place a hold on mixing cohorts during this time of COVID restrictions. We look forward to having the following opportunities for students to be leaders in the school once again when it is safe:

- Junior ATB jobs
- Playground Pals
- Student leadership
- Cross Graded Buddies
- Friendship Club
- Lunch Monitors

We are excited to still be able to offer the following opportunities for leadership with our students:

- Milk Delivery (No entry into classes)
- CrossWalk Patrols
- Sharing of Talents at weekly assemblies.
