

Friends of Neil M. Ross School
Since 1994

Friends of Neil M Ross Planning Calendar 2023-2024

The Friends of Neil M Ross Society is a group of parent volunteers who raise funds to support the students at Neil M Ross School. We are incorporated as a society and have been raising funds since 1994.

Friends supported Neil M Ross last year with new prayer/storage units for all classrooms, a new mic/sound system for the gym, playground bins, Grade 4 bibles, educational subscriptions like RAZ Kids as well as contributed to the Phase 2 playground rebuild.

This year we will continue to support school level initiatives and wishlist items, but our main focus will be to build up the funds necessary to support the Phase 3 Playground Rebuild (Red and Blue Park).

Please keep in mind that contributing to our fundraising success and initiatives for the year can come in a multitude of ways. It may include joining us at a meeting to provide feedback and discuss how to make a fundraiser a success, organizing and managing a fundraiser, volunteering as a parent, and giving your time in any capacity you can to aid in the fundraiser, as well as contributing by purchasing from our campaigns or attending one of our events!

To help organize your support for Neil M Ross this year, Friends has compiled a fundraising calendar for the campaigns and events we planned so far for the 2023-2024 school year. If you have ideas, feedback, or would like to volunteer, please email our Chair, Becky Prud'homme at friendsnmr@gmail.com.

Month	Fundraising Initiative
September	Back to School 50/50 Raffle
