Celebrating Our Faith

Liturgy: Growing in the Trinity: Love, Mercy & Grace

- The Neil M Ross school continues to engage in service projects to support our community.

- Daily live-streamed student led prayer aides in fostering a sense of faith and family. Sharing our talents with each other allows us all to share in vulnerability and trust.

Permeation:

- Weekly prayer assemblies are coordinated with students by the teacher. Students continue to lead morning prayer for the entirety of the week that includes scripture and prayer intentions.
- Administration uses the chosen prayer focus for the week to draw connections to student behaviour; the indigenous teaching we are focussing on and the reflection for the week
- Students are actively involved in their sacraments in coordination with Holy Family Parish.
